	Chiaroscuro: Using painted paper or a glued in paper bag, use your black and white charcoal pencils to render an object with all of the elements of chiaroscuro. Label the four elements of chiaroscuro in your work and use value scale 1 – 8.		**Room with a View:** select an interior space that interests you and draw it looking through a doorway, window, or some other architectural element. You can check angles by holding your pencil up and matching angle to your paper. Select your unit of measure and label it in your picture!		**School Logo:** include what you think represents Penn Wood. Do you include lots of pictures of activities? People? Favorite sport? It is up to you. Write brief description of how your drawing represents school.		**Bathroom:** Draw a bathroom and be sure to include y our unit of measure. Label it in your picture. Include interesting angles and try opening a drawer or cabinet to add interest.		**Winter Scene:** Looking out a window, accurately draw the scene you see, being sure to include at least 3 details that convey the time of year – winter! Write the three details you chose and be sure to include details.		**Closets:** Draw the inside of a closet or cabinet. Include the door so that you practice drawing using sighting to accurately draw angles. Select your unit of measure and label it in your picture!		**Current Self:** How would you represent yourself? Consider what things are important to you and how you might incorporate them into a drawing about you. Write a brief explanation of your ideas.		**Future Self:** select three objects that represent where you would like to be in the future. Draw these objects and write a brief explanation about how they represent the future you would like for yourself.
