

Directions for using Turn It In:

Go to <https://www.turnitin.com>

If you have an account, please log in and select 'add a class' and enter the class ID number and password which may be found on your syllabus (if you don't have your syllabus handy it is also posted on your class page).

To create an account, go to the same website and select 'create an account' and select as 'student'. Enter the info requested, including your preferred email address.

When asked to enter the class ID please enter:
The ID # listed on your class syllabus

When asked to enter the class enrollment password, please enter the password listed on your class syllabus

Complete the rest of the form as directed. When you log in to your account, please click on the calendar tab. You should see your current assignment posted. Check to see that you can find and open both the rubric and artist study form the calendar.
