Name _____ Date _____ Period _____

Introduction to Drawing: Ms. Grunt

GRADE SCALE (use the following numbers): **1** = fully evident, $\frac{1}{2}$ = partially evident, **0** = not evident to answer each question.

1. Do you show a zone of tangency between the light and dark areas (remember, this means face, hair, neck, shoulders, etc.)? (student____) (teacher____)
2. Do you show chiaroscuro (highlights, cast shadows)? (student____) (teacher____)
3. Do you use the full value scale values throughout piece (mostly #4 - #5 and only small amounts of #1/#8)? Do values help create convincing dimension to your facial features? (student____) (teacher____)
4. Avoidance of symbolic features (do you observe what is unique about your features)? Pay particular attention to the shapes of your eyes. (student____) (teacher____)
5. Do you **avoid all outlines** and show chiaroscuro shading by creating clear edges with change of value by hatching? (student____) (teacher____)
6. How well do you position your head and shoulders so you fill the page enabling you to draw off the bottom of your page? (student____) (teacher____)
7. Are facial features well placed to avoid distortions? For example, do you use the 'third eye', and a line of symmetry for facial features? (student____) (teacher____)
8. Are eyes in the center of the head? Are nose and mouth in right area of face? (student____) (teacher____)
9. Do you position yourself in the light to illuminate $\frac{1}{2}$ of your face in light and $\frac{1}{2}$ in shadow? Do you find the 'crescent moon' shadow shape over eye? (student____) (teacher____)
10. Work shows overall care and completeness? (student____) (teacher____)

total score (multiply by 10 to see percentage) (student____) (teacher____)
